About Us

Founded in 2011 in the city of Khamis Mushait, Kingdom of Saudi Arabia, Al-Mustaqbal for Building Materials, Conglomerate of Al-Romaih Group, specializes in the supply and distribution of high-quality construction materials. Over more than a decade, the company has established itself as a cornerstone in the building materials sector in the Kingdom, thanks to its commitment to quality standards.

We serve various residential, commercial, and project-based sectors, contributing our expertise to become a trusted partner in the construction materials industry.

Al-Mustaqbal adopts an ambitious strategy aimed at sustainable development and contributing to the growth of the construction sector in the Kingdom through strategic expansion, enhanced service efficiency, and the adoption of the latest building technologies.

Our Objectives

To provide high-quality building materials that meet safety standards in the construction sector

To strengthen our distribution and service network across all regions of the Kingdom with efficiency and trust.

To build long-term partnerships with clients and suppliers based on trust and commitment.

To contribute to major national projects and support the growth of the construction sector in the Kingdom.

Mission, Vision & Values

Mission

At Al-Mustaqbal for Building Materials, we strive to provide high-quality products that meet the needs of our clients' diverse projects.

We rely on a specialized team, extensive field expertise, and a professional operating system to ensure excellence in every interaction — not just as a supplier, but as a true partner in construction.

Vision

To be the first choice and the most trusted supplier in the building materials sector within the Kingdom by offering practical and reliable solutions that align with market changes and contribute to the success of construction projects with high quality.

Values

Quality: Full commitment to providing products that meet the highest standards of quality and safety.

Reliability: Building long-term relationships based on trust with our clients and partners.

Professionalism: Delivering distinguished services through specialized and well-trained teams.

Responsibility: Committed to professional and ethical practices and supporting sustainable development.

Our History

2025

Welcome Riyadh HQ

Shifting our headquarters from Jeddah to Riyadh. Following the rebrand from Future Building Materials to Al-Mustaqbal Building Materials Company, we now operate through three key distribution hubs—Khamis Mushait, Jeddah, and Riyadh—continuing our growth with a strong commitment to quality and service excellence.

2021

Reaching Jeddah HQ (From Khamis Mushait)

Our third distribution branch launched in Riyadh, establishing a strong presence in the central region and supporting major projects across the Kingdom.

2019

Product Growth

A new distribution branch was opened in Jeddah, expanding our reach into the western region and enhancing delivery efficiency.

2016

Entry into Jeddah

A new distribution branch was launched in Jeddah, marking our expansion into the western region and enhancing delivery efficiency and customer reach.

2013

Expanding Our Network

We strengthened our supply chain and distribution capabilities, serving an expanding base of contractors and retail clients across the southern region.

2011

The Beginning

Al-Mustaqbal Building Materials was founded in Khamis Mushait, starting with a clear vision to provide reliable and high-quality building materials to the local market.
